PETITIONING THE COURT

To modify the conditions of supervision as follows:

You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as .1. directed by the supervising probation officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances

CAUSE

The defendant has a history of substance abuse. At the time of sentencing, the Court did require a substance abuse evaluation and participation in any recommended treatment, including aftercare. It appears that the urinalysis testing condition was inadvertently not imposed. It is requested that the defendant's conditions of supervised release be modified to include the above special condition. Mr. Player has agreed to this proposed modification.

It is respectfully recommended that the attached Waiver of Hearing to Modify Conditions of Supervised Release be adapted.

I declare under penalty of perjury that the foregoing is true and correct.
